

MULTI-PURPOSE CLEANER

- Versatile - ideal for mopping or hand use
- 100% water soluble - easy to use
- Removes nicotine, grease, general dirt and grime

USES

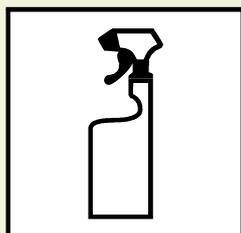

A fragrance-free Multi-Purpose Cleaner for general dirt and grime removal.

A water-based, yellow liquid that is 100% water soluble for a clean finish and ease of use.

Suitable to remove nicotine, grease and general grime from floors, walls, hard surfaces and synthetic surfaces.

DIRECTIONS

Pre-dilute with hot or cold water, according to the job. Apply using a mop, brush, cloth or spray, work into surface and then rinse or wipe clean. MPC is an alkaline hard surface cleaner. **DO NOT use on alkaline sensitive surfaces.**

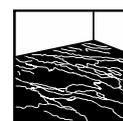

DILUTIONS

MPC : WATER		
Heavy Cleaning 1:10	General Cleaning 1:20	Light Cleaning 1:50
