ADVANCED SKIN CLEANSER

- **Powerful dirt removal action**
- **Specialist 2-in-1 cleansing and conditioning action**
- **Mild formula - kind to skin**

USES

A powerful industrial skin cleanser, which incorporates a specialist 2-in-1 cleansing and conditioning action.

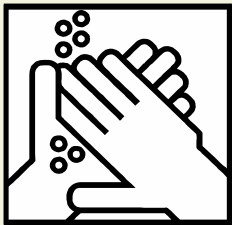

A balanced blend of cleansing agents in an aqueous base, Ezee is a concentrated liquid skin cleanser designed to remove stubborn industrial dirt, oil and grease from skin, whilst being exceptionally mild.

A modern skin cleanser for industry and commerce, Ezee rapidly emulsifies and removes oils, grease, grime, dirt, creosote and water-based paints from the skin.

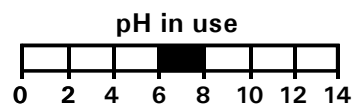

Ideal for use in industrial environments such as factories, garages, workshops and warehouses.

DIRECTIONS

Dispense onto the skin, working into the dirt, oil and grime. Rinse thoroughly with clean water and dry the skin. Ideal for controlled use via Clover Chemicals' bulk-fill dispensing system.
