

# CS30

## Sunscreen Oil

No Perfume | Non-Greasy Feel | No Emulsifiers | Absorbs Quickly | Contains Vitamin E

### PRODUCT DETAIL

SPF 30 sunscreen for professional use to protect the skin from UV-A and UV-B exposure.

CS-30 is a high performance product giving 30 times the skins normal protection against sunlight. CS-30 does not contain any water and gives immediate protection.

CS-30 contains a high level of emollients, coco caprylate/caprate, for a non greasy feel on the skin. CS-30 is fragrance free making the product acceptable to both males and females.

CS-30 contains Vitamin E (tocopheryl acetate).

Water free and perfume free, suitable for all skin types and anyone 12 years old and older.

CS-30 is packaged in a handy size trigger spray for fast application to the skin. The trigger spray mechanism is lockable to stop accidental activation.

CS-30 is reliably usable, it does not freeze/gel or separate from -25 degrees celcius to +50 degrees celcius.

CS-30 has a period of time after opening of 24 months (pao)

### DIRECTIONS

CS-30 is for use on any part of the body exposed to the sun.

Before exposure to sunlight spray lightly onto clean dry skin and spread evenly.

Re-apply every 2 to 3 hours. If perspiring re-apply more often.

### ALLERGIES

Do not use if allergic to ketoprofen.

Ketoprofen is a nonsteroidal anti-inflammatory drug. Photosensitisation to ketoprofen, can lead to photo contact allergy to octocryene, octocrylene is a sunscreen agent present in many popular sunscreen products including CS-30.
