

BREAKER

CONCENTRATED POOLSIDE CLEANER/DESCALER

- Removes severe water scale and body fats
- Thickened liquid for controlled application on pool walls
- Safe on all surfaces, including stainless steel

USES

A highly effective cleaner and descaler formulated to remove severe water scale and body fats.

Breaker combines concentrated detergents and acids in an odourless, viscosity-controlled formulation.

Breaker can be used as a deep-cleaning toilet descaler for stainless steel urinals, toilets and bidets.

Ideal for use in health clubs, sport centres, leisure centres changing rooms, shower areas and swimming pools.

DIRECTIONS

Dilute with water according to the area to be cleaned. Use at a higher concentration for textured surfaces. Apply using a mop cloth or machine. Leave a few minutes contact time, agitate and extract as much liquid as possible. Rinse thoroughly, taking care to minimise any contamination of the pool.

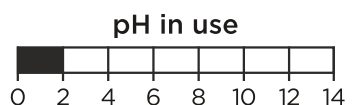

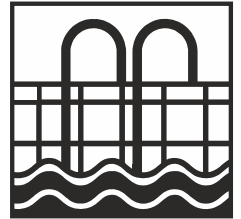

N.B. Always test surface compatibility prior to use.

DILUTIONS

| BREAKER : WATER | | | |
|---------------------------|--------------------|---------------------|--------------------|
| Severe Scale Undiluted | Heavy Soil 1:10 | Medium Soil 1:40 | Light Soil 1:80 |
