### USES

As a neutral product, Ultrafresh is safe for regular use on all hard floors and other water washable hard surfaces.

**Washrooms:** Cleaning and disinfecting toilets and urinals (used neat), sinks, showers, baths, taps, etc.

**Floors:** Mopping and deodorising in stairwells, corridors, halls, etc.

**Care sector:** Cleaning and disinfecting tables, door handles, bedsteads, hand rails, mobility equipment, washroom surfaces, etc.

**Leisure centres:** Disinfecting sports equipment, sunbeds and surfaces in changing rooms, saunas, steam rooms, etc.

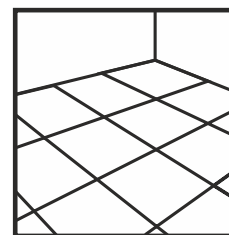

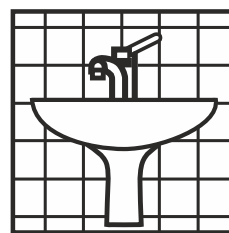

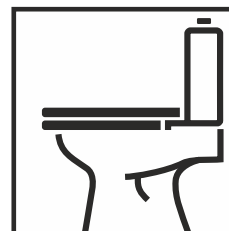

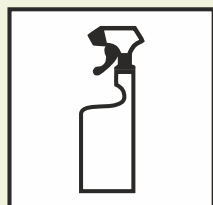

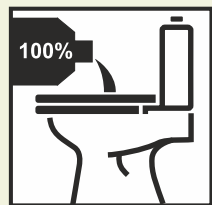

### DIRECTIONS

#### TOILETS AND URINALS:

Apply neat around toilet bowl/urinal and leave for a few minutes contact time. Work into the surface with a toilet brush where needed, then rinse with water.

#### GENERAL CLEANING AND DISINFECTING:

Dilute with water. Apply to the surface using a mop, cloth or spray, agitate and rinse or wipe away. Use biocides safely. Always read the label and product information before use.

### DILUTIONS

#### Standard Dilution

Dilute 1 part Ultrafresh with 50 parts of hot or cold water.

#### C.Diff Dilution

Dilute 1 part Ultrafresh with 20 parts of hot or cold water.
