

UB70

AIR CONDITIONER CONCENTRATE

- Freshens and conditions the air
- Long-lasting lemon fragrance
- Economical in use

UB70 is a super-concentrated air conditioner, designed for use through the Ultrablend 4 and Ultra Dose systems.

A powerful, universally acceptable, lemon perfume in a slow release water-soluble carrier for long-lasting results.

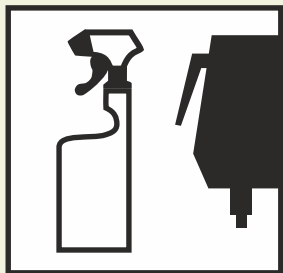

USES

Used diluted through trigger sprays, UB70 enhances the environment in any establishment when sprayed onto entrance matting or into the corners of rooms.

Ideal for use in hotels, conference centres, schools and public buildings.

DIRECTIONS

Prepare a trigger spray of UB70 solution through the Ultra Blend 4 or the Ultra Dose system. Spray regularly into the corners of rooms or directly onto entrance matting for impact on entering the building. Avoid spraying over computer equipment or paperwork.
