

AUTO GLASSWASH

GLASS WASH DETERGENT

(318)

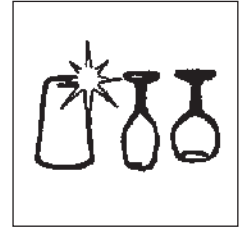

- *Non-tainting, non-foaming formula*
- *Economical in use*
- *Anti-corrosive - protects your machine*

A powerful detergent for machine glasswashing that removes stubborn stains and soils and leaves a sparkling finish.

Auto Glasswash is pre-softened for cleaning effectiveness in both hard and soft water.

Ideal for cleaning glassware, glasses and tumblers in all automatic glass washing machines.

Recommended for use in pubs, bars, restaurants, hotel kitchens, etc to ensure that glasses are clean and sparkling.

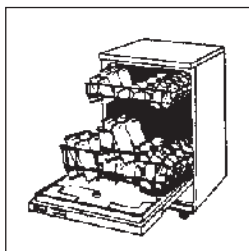

DIRECTIONS

Put dosing tube into the container of AUTO GLASSWASH, so that it reaches the bottom. The dosing unit, which has been pre-set to a specific concentration, will automatically dispense AUTO GLASSWASH into the machine.

For best results, use in conjunction with Clover Chemicals' RINSE AID. Ensure that the thermostat on the machine is set correctly.

AUTO GLASSWASH can be added manually for each cycle if required. Typically 28ml (1 fluid ounce) should be added to the machine for each wash cycle.
