

LAROX (426)

HIGH FOAM BACTERICIDAL HAND SOAP

- *Contains skin conditioners - mild in use*
- *Controlled foam for easy rinsing*
- *Non-tainting - suitable for food environments*

Larox is a foaming, water based bactericidal hand soap.

A thick, odourless, white liquid containing skin conditioners, Larox is suitable for regular use throughout the day.

Particularly suitable for use in establishments where hand hygiene is a priority, e.g. hospitals, care homes, clinics, etc. As a non-tainting and odourless product, Larox is also ideal for use in food environments.

DIRECTIONS

Apply Larox to wet hands. Rub into the skin, ensuring contact with the entire surface of the hand and wrist. Ensure that you interlace the fingers to clean these areas and use a clean nail brush to clean under the fingernails. Rinse away with clean water and dry hands thoroughly.

N.B. DO NOT MIX WITH OTHER HAND SOAPS

Use biocides safely. Always read the label and product information before use.
