

SCALEit

Sanitary Cleaner/Descaler

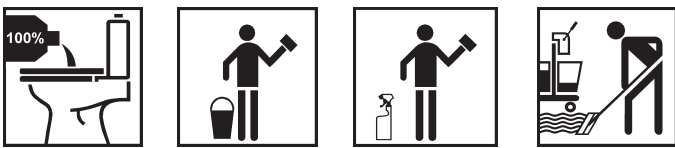

- **Cleans, descales and disinfects in one operation**
- **Viscous liquid ensures prolonged contact time**
- **Leaves a fresh fragrance**

A concentrated, acidic liquid, Scaleit can be used both neat for toilet descaling and diluted for general washroom cleaning. The thick, red liquid contains safe sulphamic and citric acids to clean, kill germs and remove limescale and organic deposits in one operation.

Use Scaleit to clean and disinfect toilets, urinals, sinks, baths, showers, tiles and washroom floors.

Scaleit is safe for use on porcelain, stainless steel, chrome, ceramic and tiled surfaces.

DIRECTIONS

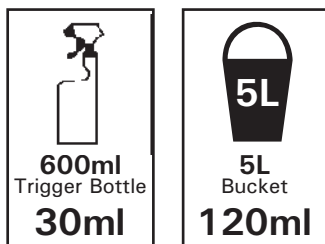

TOILET DESCALING: Apply neat around toilet bowl. Allow a few minutes contact time, agitate with a brush and flush away.

WASHROOM CLEANING: Apply diluted solution using a cloth, trigger spray or mop. Rinse away with clean water and allow to dry.

N.B. DO NOT USE ON VITREOUS ENAMEL OR ACID SENSITIVE SURFACES

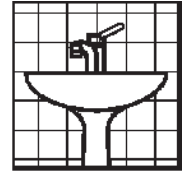

Use biocides safely. Always read the label and product information before use.

DILUTIONS

Dilute with hot or cold water.

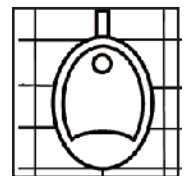

PH in use:

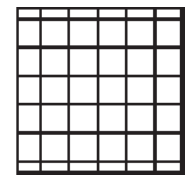

Sinks

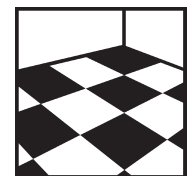

Toilets

Urinals

Walls

Tiles
