

UB40

(994)

SUPER-CONCENTRATED WASHING-UP LIQUID

- *Highly concentrated for extra economy*
- *Leaves a sparkling, grease-free finish*
- *Convenient and practical in use*

UB40 is a super-concentrated washing-up detergent, which is fragrance-free and contains an advanced blend of cleaning agents.

A thick, green liquid with a high foam level, UB40 is designed to be used through the Clover Chemicals Ultra Dose system for washing up by hand. Suitable for use on all crockery, cutlery, glassware and utensils.

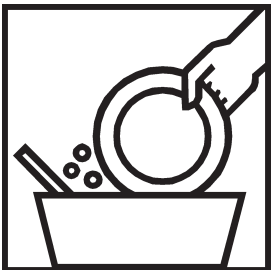

Ideal for use in all catering establishments, e.g. cafés, canteens, restaurants, school kitchens, etc.

DIRECTIONS

Dispense 10ml of UB40 (1 shot of the Clover Chemicals Ultra Dose pump) into a 5 litre sink of warm water. Add items to be washed and allow a few minutes to soak. Clean items using a sponge, brush or pad.

UB40: Water	10ml: 5 litres
