

ULTRAVIOLET (810)

PERFUMED CLEANER AND DISINFECTANT

- **Popular violet fragrance**
- **Cleans and disinfects in one operation**
- **Neutral - safe on all washable surfaces**

A neutral cleaner and disinfectant with a popular violet fragrance.

Ultraviolet is a clear yellow liquid that is low foaming in order to rinse easily from surfaces. Suitable for use by hand or in a scrubber drier.

As a neutral product, Ultraviolet cleans and disinfects all hard surfaces safely.

USES

Washrooms: Cleaning and disinfecting toilets and urinals, sinks, showers, baths, floors and other washroom surfaces.

Floors: Mopping and deodorising in stairwells, corridors, halls, etc.

Care sector: Cleaning and disinfecting tables, door handles, bedsteads, hand rails, mobility equipment, washroom surfaces, etc.

Leisure centres: Disinfecting sports equipment, sunbeds and surfaces in changing rooms, saunas, steam rooms, etc.

DIRECTIONS

TOILETS AND URINALS:

Apply neat around toilet bowl/urinal and leave for a few minutes contact time. Work into the surface with a toilet brush where needed, then rinse with water.

GENERAL CLEANING AND DISINFECTING:

Dilute with up to 50 parts water. Apply to the surface using a mop, cloth, spray or machine, agitate and rinse or wipe away.

Use biocides safely. Always read the label and product information before use.
