

SPRAY & WIPE

FRAGRANCED BACTERICIDAL CLEANER

- ***Kills MRSA***
- ***Kills 99.999% of bacteria***
- ***Fresh, floral fragrance***
- ***Neutral - safe on all hard surfaces***
- ***Ready-to-use for quick and easy application***

Spray & Wipe is available in a 750ml trigger spray and 5L pack size.

Effective disinfectant

Spray & Wipe cuts through grease and grime and kills bacteria fast. It kills 99.999% of bacteria (tested to BS EN 1276) and has also been proven to kill MRSA NCTC 12493.

Spray & Wipe is therefore highly recommended for daily cleaning and sanitising in care homes, schools, offices and other areas where there is a risk of the spread of infection.

Easy, multi-purpose use

Spray & Wipe is a ready-to-use product for quick and easy application. Simply spray on and wipe clean for rapid results.

As a neutral product, Spray & Wipe is safe for use on all hard surfaces including aluminium, plastic and glass. Ideal for wiping down desks, furniture, door handles, sports equipment, telephones, bar tops, etc.

Spray & Wipe is ideal for rapid cleaning and disinfecting in offices, shops, leisure centres, schools, bars, hotels, etc.

Use biocides safely. Always read the label and product information before use.
