

Versatile

Viro-sol is a specially formulated cleaner and degreaser with maximum cleaning power.

It can be used to clean soiling from a broad range of different surfaces, including stainless steel, vinyl, tiles, ceramic, plastic, PVC and concrete.

Viro-sol effectively cleans safety flooring, walls, industrial equipment, machinery, dip tanks, etc. It is also ideal for vehicle valeting and boat cleaning (as a bilge wash).

With numerous application possibilities, Viro-sol is recommended for environments where a wide range of different cleaning situations occur.

Effective

A breakthrough in cleaning technology, Viro-sol boasts powerful cleaning performance whilst being free from petroleum solvents and glycol ethers.

Viro-sol's fast-acting formula is especially effective in removing dirt, grime, diesel oil, food oil, fats, grease, tobacco film, body fats, rubber marks, light rust and engineering oil quickly and safely.

For extreme economy use, Viro-sol will effectively clean light soiling when diluted with up to 100 parts water

VIRO-SOL

CITRUS BASED CLEANER AND DEGREASER

Fragrant

The recently enhanced fragrance is a tangy citrus scent, with a deep peel-like character. When used, Viro-sol leaves a long-lasting aroma, which revitalises and refreshes. Even when used to degrease the foulest smelling fats and oils, Viro-sol maintains its fruity fragrance.

Environmentally Friendly

Formulated from naturally derived Citrus Solvents with specialised surfactants and Sodium Citrate, Viro-sol is rapidly biodegradable to EEC Standards. It is highly recommended for environmentally conscious establishments.

Uses

Viro-sol efficiently removes grease and grime from all washable materials, including;

Floors: Warehouse Flooring, Non-Slip Flooring, Ceramic Tiles, Concrete, Terrazzo, Painted Floors, Walls, Textured and Tiled Surfaces, Showers, Plant and Equipment, Machinery, Dip Tanks, Garage Forecourts, Car Dealerships,

Vehicle Valeting: Vinyl Surfaces such as Cabriolet Tops, Bumpers and Head Linings, Plastic Trims, Boat and Vessel Cleaning: Decks, Fish Rooms, Heavily Soiled Paintwork

CLOVER CHEMICALS
