

SPIRIT

Now Available in Handy, Ready-to-Use 750ml Triggerspray!

READY, STEADY, SPRAY!!

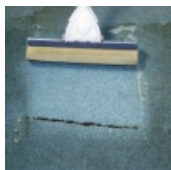

Following the success of Spirit since its launch in March 2002, Clover Chemicals Ltd are delighted to announce that they have added it in ready-to-use form to their popular 750ml trigger spray bottle range.

The team at Clover are confident that demand for ready-to-use Spirit will be high, as the product has been formulated to an optimal concentration that gives the very best results. Requested by distributors and end users alike, ready-to-use Spirit will save time, reduce the need for training and cut wastage costs, whilst having the same trademark fragrance and cleaning results as the concentrated product.

Ideal for schools, colleges, hotels, offices, airports, factories, shops, shopping centres, ferries, bars, nightclubs, pubs, public washrooms, prisons and leisure centres.

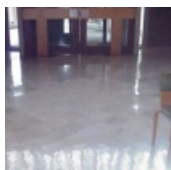

can be used on any hard surface, without the risk of damage. e.g. glass and aluminium

non-hazard classifications - ideal for use in any establishment

one product for all surfaces - reduces the number of cleaning products needed and therefore, reduces training.

Designed to clean and maintain, Spirit is ideal for use on a multitude of modern surfaces, including; marble, terrazzo, anti-slip and textured floors, laminated flooring, metalised polish, ceramic tiles, glass, aluminium, stainless steel, laminated furniture and other washable surfaces.
